Law No. 04-18 (Prevention of Drugs and Psychotropic Substances)

Official Reference: Loi No 04-18 du 25 Decembre 2004 / Articles 6, 7 et 8

Article 6 - Voluntary Treatment & Non-Prosecution

Public prosecution shall not be instituted against persons who submit to prescribed medical detoxification treatment and pursue it to completion. Individuals who have unlawfully used drugs or psychotropic substances shall not be prosecuted if proven they underwent detoxification treatment or were under continuous medical monitoring since facts occurred.

Article 7 - Judicial Discretion & Treatment Orders

The examining judge or juvenile court magistrate may order individuals charged with drug consumption offenses under Article 12 to undergo detoxification therapy, accompanied by medical supervision and adapted rehabilitation measures.

Article 8 - Confidentiality & Professional Secrecy

All medical, psychological, and social records of individuals seeking voluntary treatment are strictly confidential and protected under professional secrecy laws.
